Seating	Space Required
Buffet (all seated)	8-10 Sq Ft per Guest
Sit Down	10-12 Sq Ft per Guest
Cocktail	5-8 Sq Ft per Guest
Theatre Style	5-8 Sq Ft per Guest
This method of figuring allows for chair and passage space. However, it does not include space for buffets, bar, dance floor, stages, etc. Use this method for a quick approximation only.	
NOTE: Always allow at least 8 to 10 feet clearance around buffets and bars.	

Estimated Seating Capacity

Multiply length times the width of the area or room to arrive at total square footage.
(Example: 40'x40' = 1,600 square feet)

Don't Forget! We have a wide variety of products on display in our new showrooms. We are open from 08.30 - 17.30 Mon - Fri, and 08.30 - 12.30 on Sat.
